Cats dumped at the landfill, multiplying like rabbits! With your help, we'll sterilize them and they'll be fed a nutritious diet.

Willow - hit by a car, paralyzed, requires assistance to go to the bathroom. Under special medical care.

George - pulled by the tail, paralyzed but recovered, still at risk for megacolon, a life-threatening condition resulting from his injury.

**ALF.Petfinder.com**

10 kittens rescued from the desert and all its predators; Thousands of other cats starving on the streets.
