Sears Adoption Event in Orange Park

Our onsite adoption event at the Sears store in Orange Park was a huge success. We were able to adopt out 16 animals and raised over \$700.00 in donations. All proceeds will go to our Spay/Neuter Program. I want to thank all the volunteers who came out and gave their time to help the animals!!! Colon Smith, Sears store manager was awesome. Thanks to his kind donations of food, space and time!

Volunteer Meeting 29 April 2009

Our first of many volunteer meetings was held at the shelter this past month. Many great ideas and thoughts were exchanged. We will be having another meeting in May, time and date to be announced later. Please tell your friends to come join our new group!! We are looking for a name for our volunteer group. If you have any suggestions please let me know.

First Coast No More Homeless Pets

Through our partnership with First Coast No More Homeless Pets in Jacksonville, we have turned a corner in our adoption program. We currently have many dogs and cats that are ready to go home the day of the adoption!! As of 7 May 2009, we have adopted out 27 animals!! What a great start for the month!!

Ms. Connie's Retirement

As most of you have heard, Ms Connie has retired after over 19 years as Director of Animal Care & Control. We will continue to push forward and complete her initiatives for the shelter. She will be missed!! Gail Flakes has taken over as interim director.

Last but not least!!

This is our first volunteer newsletter. Please email me if you have things you wish to put in the letter. This will be put out monthly and whenever it is necessary. I am sure I did not cover everything, but as this is the first one, we will get better.

Thank you all for what you do!!!!
