To make an appointment with Dr. Stickney (Mackenzie Veterinary Services), call Kate at 874-5920. Dr. Stickney sets up his mobile clinic at KP Woodright (Mile 5) approximately once a month.

Please note that this payment may not cover the entire cost of the procedure. An average range of costs may be:

Male Dog: \$165.00 - \$195.00 Female Dog: \$185.00 and higher

Male Cat: \$85.00 - \$135.00 Female Cat: \$150.00 - \$180.00

Please note: There is also a Clinic Fee of \$35.00

We also recommend that your animal's vaccinations are up to date at the same time.

Having your animal neutered will reduce the number of unwanted/neglected animals in Hay River. Your pet will become less territorial, which will decrease the incidences of cat spraying and dog fights. Your pet will be safer and will be more content to stay at home.

If you have any questions, please call the SPCA Message Line at 874-3667 and we will return your call.

Thank you for being a responsible pet owner.
