

Second Chance for Animals, Inc.

Companion Animal Rescue and Adoption

Canton, Ohio

You must be 21 years old to apply for an Adoptable animal.

Pre-Adoption Questionnaire

(We regret that we cannot adopt to anyone located more than a 2 hour drive from Canton, OH)

.....
This is a questionnaire only. Second Chance volunteers are here to assist you, but they are unable to make on-site adoption decisions. This is to ensure that all applications received to date are considered and that adoptions are not made impulsively. The average processing time is 2-4 days, depending on volume, and due to the fact that all volunteers work full-time jobs. In the event that several applications are received for one animal, the home that best meets the needs of that animal will be notified. **You will only be contacted if your questionnaire is selected.**

Adopting an animal is an important decision- a life-long commitment-and one that should not be made without serious thought and honest consideration. Applicants genuinely concerned about the welfare of rescued animals understand and support the 2-4 day processing time. Thank you for your interest in adopting a Second Chance animal.
