Adoption Agreement

I have adopted the animal described below from Canine Pet Rescue(CPR). I certify the animal listed below is now mine. I hereby release and waive any right or claim against C.P.R. which I may have now or in the future for any damage to person or property caused by this animal.

I understand that the animal(s) adopted from C.P.R. have been spayed/neutered in compliance with the Illinois/Wisconsin statutes. If applicable, a refundable deposit of \$50.00 will be required upon adoption if the spay/neuter has not been completed prior to adoption. The fee will be refunded upon receipt of proof of spay/neuter by new owner if done within 30 days, unless there is a medical reason why not.

C.P.R. does not assume responsibility for any veterinary charges in connection with the subsequent care and treatment of your adopted animal.

If, at any time, the adopter(s) can no longer care for the animal, C.P.R. must be contacted first before the animal is relinquished to any one else, placed with another rescue/adoption agency, euthanized, or for any reason will no longer be living with you. If C.P.R. requests that the adopted animal be returned to this rescue, you agree to do so.

I agree to notify C.P.R. if the animal is lost, stolen or dead; to notify if I change residence; to permit humane specialists to see the animal upon request; surrender the animal in the event of valid claims by a former guardian; and to comply with all applicable laws relating to control, care, treatment, use or guardianship of animals.

I have read, understand, and agree to the above items of this Adoption Agreement.
