Our adoption fee is to cover some of our expenses. If the cat has been neutered or spayed the adoption fee is \$75 and for a kitten \$50. All kittens must be spayed/neutered by the age of six months. I understand that requirement and by my signature I am promising to be responsible for this action. You can check with Just Us at 302-245-7666 for low-cost spay-neuter opportunities.

I agree that the information I have provided is accurate.
