

Memorial Service for Animal Outreach Cats

To our Faithful Friends and Supporters:

As you may have already heard, in the early morning hours of May 18, a tragic fire struck the trailer facilities we used to shelter our beloved cats and kittens. All 37 perished in the fire. In mere minutes our facility was completely destroyed. Although our hearts are broken, our spirits remain undaunted. Our commitment to the animals we serve is stronger than ever. Since 1998 Animal Outreach has placed hundreds of animals in loving homes, and we realize that there will always be countless others who will need our help.

Please join us in remembrance of the past and resolve for the future at the Cape May Point State Park on Saturday evening, June 9th. We will assemble at the observation platform at 5:p.m.
